

Dear Friend,

every WOMAN Whistler will be hosting a silent auction fundraiser at The Fairmont Chateau Whistler, Whistler BC from May 12-14, 2017. I am attending the event and as part of the every WOMAN community where we come together to contribute to something meaningful. On behalf of the event, I am asking for your help.

We know what it feels like to want to slow down, make changes and create meaning in our lives, but are too busy keeping up with our relentless schedule that we're not sure how to start. every WOMAN Whistler is a reminder to practice physical activity to motivate you, think more clearly, to adopt a healthy lifestyle and take care of your body. To reconnect with friends, learn something new, to keep challenging yourself and to examine what it is you want out of life. It's an opportunity to give your mind a chance to think and your soul the space to breathe.

More often than realized and despite best efforts not every WOMAN can find the money or dedicate the time for one relentless reason or another to attend the every WOMAN retreat. every WOMAN regardless of their economic or social status deserves the opportunity to reach her full potential - to find physical and mindful activity as a way to bring balance, self-awareness and healthy attitudes into everyday living.

The ask is for every WOMAN attending the retreat to donate a silent auction item. It could be a gift certificate, a gift basket, a clothing item, a groovy food tasting, absolutely anything with some value. I'll bring this remarkable donation with me to the event where it will be set out for a fabulous weekend of friendly silent auction competition. Proceeds will go cover registration and accommodation for one or more (depending on how much we raise together) nominated women who otherwise would not be able to attend.

We have an unbiased confidential group who will review the nominations and place them in priority. We'll announce who and how many can be accommodated at every WOMAN Whistler at the conclusion the event. That way the date can be saved and everyone can appreciate the effort they put into growing our every WOMAN community and paying it forward.

Can you help with a donation of a product or service from your business, as it will greatly benefit a woman who can't afford to attend on her own? Any donation is greatly appreciated.

A donation form is enclosed. Thank you for your consideration. For further information regarding this year's silent auction and to donate, please contact Kelly Angele at 403.818.0838 or [kelly@everywoman.ca](mailto:kelly@everywoman.ca).

With gratitude,

every WOMAN Whistler

**THANK YOU FOR YOUR DONATION**

Please provide us with the following information so that we can properly recognize your gift. Please return this form by email to [info@everywoman.ca](mailto:info@everywoman.ca) in advance of the event.
